

Year 4's Wow Day

On Monday, Year 4 kicked off their topic of 'Where will your journey take you?' by travelling around Europe. The children brought bags with them to school which they attached their luggage labels to. They then went through Passport Control and boarded the plane. Throughout the day they travelled to six European countries and participated in different activities. They learnt an Italian Tarantella folk dance, tried Spanish tortilla and German strudel, played French boules, learnt 'Head, shoulders, knees and toes' in Norwegian and did some art inspired by the Russian artist Kandinsky. The children all had a wonderful day and will now build on this learning through the rest of the topic.

Accelerated Reading

By now, all of the children have completed their first Star Reading Tests and received their reading level and points target for this term. Over the summer holidays, we expect reading levels to deteriorate slightly as children may not be reading as often as they do during term time. Next half term we expect them to pick up again. All teachers are aware if reading levels have dropped a lot and will be keeping an eye on these children and possibly giving them a chance to redo the Star Reading test if we think this will help.

Whilst we actively encourage children to ride/scoot to school please can children be reminded they shouldn't be riding them within the school grounds. Thank you.

Toast

As the school will be holding 'House Meetings' every Wednesday (with effect from 20th September) there will be no toast. This is because pupils and staff will be involved in the meetings and we will not have sufficient staff available to cook and manage the toast.
