**Year 5 visit  
@Bristol**

**Year 3 have visited Coldharbour Mill. This really helped them with their learning and topic of the Victorians!**

**Year 5 had a great day at @ Bristol. We started the day with a fantastic 3D planetarium show, where we learnt lots about the stars and planets. We then had a great time exploring the museum and had the opportunity to experiment with sound, light, film, giant bubbles and lots more! Some of us even made fake blood, drew our veins on our arms and ground our own flour. We had great fun but most importantly we learned lots in the process.**

This week in school we have been looking at different things for anti-bullying week. We have discussed different ways of staying safe online such as looking at suitable usernames, keeping social media (such as Instagram and Snapchat) accounts private and blocking Cyber-bullies online, and older years (5 and 6) looked at the outcomes of posting inappropriate pictures

Issue 3 : November 2016

On Friday 18<sup>th</sup> November, when we came into school, everyone was very spotty! Had they been eating too many sweets? No, of course not. It was Children in Need day. Everyone brought in 2, 1 and 10p coins to stick on their Pudsey, and saw which class filled theirs up the most. Also, in Golden Time, the children were able to participate in various activities, using the 20ps they brought in to spend.

Overall everyone had a fabulous day and there were many smiles! We also raised a lot of money for a very important cause!

## PTA Corner

*The fair is going to be a great success and we are sure to have lots of fun!*

## Experience 6

Year 6 have had another practice SAT's. Here are the comments from some children: Harley, Kestrel "I enjoyed it and was fun to mark!" Nicole, Eagle "I felt nervous at first but got more confident near the end." Isabella and Ruby, Eagle Class, "We found it a bit hard and learnt from our mistakes!"

We are also looking forward to our London trip next year when we get to visit the Houses of Parliament.
