Year 1 go to @Bristol!

Year 1 have just returned from their mission into outer space with @Bristol. They had an exciting day exploring the universe and gathering lots of ideas to help with their writing. From animating drawings to collecting rocks from Saturn's rings, Blackbird and Sparrow classes are truly 'out of this world' with their knowledge of space. You can enjoy seeing examples of their work in our photo gallery around the school. See if you can spot their work!

Experience 6

This month Year 6 have been tested on their Spelling, Punctuation and Grammar, Maths and Reading by doing last year's SATs papers.

We are so excited for our trip to London next month! #burgersfortea

GOOGLE GOGGLES

ON MONDAY 6TH FEBRUARY GOOGLE KINDLY GAVE US THE OPPORTUNITY TO EXPLORE OTHER COUNTRIES, TOWN, CITIES AND YEAR 6 EVEN VISITED THE GREAT BARRIER REEF!

WE HOPE EVERYBODY HAD A LOVELY TIME EXPERIENCING DIFFERENT LANDS AND DIDN'T FEEL TOO DIZZY AFTER THEIR TRAVELS!

Clive PiG

We were visited by Clive PiG during our storytelling week this month. It was great because the stories he told included us!

*Clive Pig, Clive Pigapotamus,
Read stories to the lot of us,
The lady with her mouth open
was the best,
Thank you Clive for being our
guest!*

Internet Safety Day

On Tuesday 7th, the entire school learnt how to keep safer on the internet. Younger years made S.M.A.R.T posters whilst Year 5/6 learnt how to keep safe on social media they may or may not have such as Instagram or Snapchat by using private accounts etc.
