Cheddon CHAT 30 – Friday 19th May

Year 5 and 6 Residential 2018.

A letter was sent home on Monday for all of NEXT YEAR's Year 5 and 6 children seeking parents' thoughts regarding the cost that we have been quoted for next year's residential trip. We have asked for responses by the end of school today (19th May) but if you have not yet sent your slip with your preference noted, please do so by Monday morning. We will make a decision based on the replies received and let parents know as soon as we can.

Sports Clubs

After school sports clubs replies and payments are due back by Monday 22nd May please. Can replies for the Y5/6 Cricket and Y3/4 Rounders tournaments also be returned as soon as possible.

Moon Walk.

Congratulations to our two moonwalkers: Mrs Budge and Mrs Jubb, who both completed the 26mile charity walk around London last weekend. Both looked far more spritely on Monday than I would have done! A great achievement, well done.

Key Stage 1 SATs

Children in Year 2 this week completed their end of Key Stage SATs. It was lovely to hear from the adults not just how well the children did, but also how well they used their learning strategies to help them succeed. Dare we say it, but the children actually enjoyed their tests, with some even thanking the adults for giving them!

Class Photos

All children will be having their class photos taken on Monday. Year 6 will also be having their leavers photos taken. Please make sure that the children are in school uniform; we will endeavour to ensure that photos are taken before the lunchtime yoghurt makes an appearance!

Race for Life

As part of our Health and Safety week, we will be holding a school Race for Life on Friday 9th June. The initial plan is to hold it on the field from 1:45pm. Key Stage 1 children will be asked to run/skip/jog/walk around the perimeter of the field for 15 minutes. Key Stage 2 will be asked to do the same for 30 minutes. It would be wonderful if you could join us for this event. We are hoping to sell refreshments and have activities for the children to do. Sponsors forms and more information will be coming home in your child's book bag next week. If anyone can spare some time to help run this event, please see Mrs Goodchild.

End of day procedures

The recent system of dismissing children at the end of the school day is going well. We would ask that parents wait for a few moments for their child/ren to be dismissed rather than collecting them directly, as the staff need to know who has been collected. I do appreciate that this may take a few moments, but it is important, so ask for your cooperation.

Wedding Congratulations

Those of you with children in Key Stage 2 will remember Miss Derrick. Last weekend, she married her fiancé in a beautiful, woodland bathed in bluebells and sunshine. We pass on our congratulations to the new Mr and Mrs Newington.p

A popular school

We received notification from the Local Authority this week of the number of applicants for places to start in Reception next academic year. For the third year in succession, we have more applications than places, highlighting our position as a school of choice in the area.

Year 5 Strike and Field Morning.

Our Year 5 children had a very enjoyable morning at Taunton Vale Sports Club. They got to experience cricket, rounders and golf. Thank you to SASP and the young leaders that enable these events to happen.

Attendance

This week's attendance in each class:

95.42	96.28	96.90	95.57	96.49
Class 1	Class 2	Class 3	Class 4	Class 5

Stars of the Week
