

HORSINGTON CHURCH OF ENGLAND PRIMARY SCHOOL

THE ROLE OF THE TEACHER

We have a commitment to provide a broad, balanced and inspiring curriculum to which all pupils have equal access.

EACH TEACHER AIMS TO:

- Help children develop self awareness and a positive self-image.
- Create challenging and stimulating situations which involve children in learning through direct experience.
- Recognise that children are individuals and that development will occur at different rates and in different ways.
- Ensure learning experiences are developmental and appropriate to the needs of each child.
- Help children to develop self control and take responsibility for their own actions.
- Ensure equality of access to the curriculum.
- Be positive about the potential of every child.
